Parking

- **Ample Surface Parking:** The building offers abundant surface parking spaces conveniently located around the premises, allowing easy access to the main entrance.
- **Parking Garage:** For additional parking, a multi-level parking garage is available adjacent to the building, offering covered parking to shield your vehicle from the elements.
- **Reserved Spaces:** Designated reserved parking spaces for tenants and visitors are available in the garage. These spots are clearly marked for easier identification.

Electric Vehicle (EV) Charging

- **Future EV Charging Stations:** EV charging stations are scheduled to be installed in the parking garage by Summer of 2025.
- **Types of Chargers:** The facility will include Level 2 chargers, allowing for efficient and moderate-speed charging.
- **Availability:** Upon installation, the chargers will be available to both tenants and visitors on a first-come, first-served basis.
